

### Presentation of the European framework

This project is presented within the framework of the Erasmus + program Education, more precisely the strategic partnerships of secondary education.

### Project Name

“Dance and Culture: way towards the success”

### Project Duration

The project is planned for 3 years. It starts in September 2017 and will finish on August 2020.

### Short description of the project

School unhooking affects many European countries, reinforced by new migratory currents, the actors of education are confronted with new teaching challenges.

Since 2003, Annaba association intervenes with educational establishments, more precisely of the nursery school at the high school, on educational, artistic and cultural projects.

The partnership and the experiment made it possible to bring tools complementary to the teaching work of the teachers.

The project that we propose addresses to the children residents in disadvantaged district and multicultural, in France, CM1/CM2/6ème, in Belgium, 4th prim/5th prim/6th prin, in the Germany, 4e/5e/6e, in the Portugal, 4e/5e/6e, in the Spain, 4ºprimaria/5ºprimaria/6ºprimaria and in the Italy, quarta elementare/ quinta elementare/prima media.

It aims at:

- To prevent school unhooking
- To improve comprehension and the communication (teachers – children – family)

This project will make it possible to optimize the educational, artistic and cultural practices of the teachers by comparing this one, developed in 5 other countries Belgium, Germany, Spain, Portugal and Italy.
